PROFESSIONAL PROFILES   architects	
<p><b>Christopher P. Williams</b> Architects, PLLC CRAFTSMANSHIP IN DESIGN</p>  <p><i>Owner: Christopher P. Williams, AIA, NCARB Specialty: Custom architecture, additions</i></p> <p>Since 1984, CPWA has been fulfilling architectural projects throughout New Hampshire and New England. Through our long and forward-thinking experience, we will assist you through all the phases of your project – obtaining permits; securing practical budgets; design, restoration, and interior planning; site analyses to determine survey requirements and feasibility options; and developing sustainable, environmentally-friendly building practices. Our staff includes LEED AP certified architects (Leadership in Energy and Environmental Design).</p> <p>It is our craftsmanship in design, unique use of local materials, understanding of client needs and a proven track record of guiding clients through every phase of the construction process. Our goal is your satisfaction.</p> <p>We specialize in sustainable building practices and offer expertise in incorporating solar, geothermal and other green/sustainable systems into client projects that enhance and protect ecosystems and conserve natural resources. With sensitivity to landscape and building site requirements, we strive to bring together the beauty of the exterior surroundings with the warmth and comfort of your home.</p> <p>A home designed and built to suit your needs, everyday life and budget. We can help make your dream house a real home.</p> <p>When you need the best, most experienced, and progressively dedicated New Hampshire Architecture team, CPWA will make your building ambitions come to life.</p> <p><b>CHRISTOPHER P. WILLIAMS ARCHITECTS, PLLC</b> PO Box 703; Meredith, NH 03253 (603) 279-6513 • cpwarchitects.com</p>	<p><b>TMS Architects</b> NEW ENGLAND DESIGN... REDEFINED</p>  <p><i>Principals: William Soupcoff, AIA; John Merkle, AIA; Robert Carty, AIA; Shannon Alther, AIA Specialty: Custom residential, historical preservation</i></p> <p>TMS Architects has been working with our clients for 25 years, translating their dreams into built reality. We carry with us a strong sense of aesthetics and a deep commitment to the quality and nature of our work. These dreams are environmentally sensitive, energy self-sufficient and very special. We have built our reputation by providing architectural services in three primary areas: custom residential, private education and corporate/commercial work. Historic preservation has been an integral part of our work, as evidenced by the restoration of the Wentworth by the Sea Hotel and The Music Hall.</p> <p>We focus on energy conservation; site selection and indigenous plant materials; water recycling; and water conservation with low-flow toilets, faucets, and showerheads. We will work with you to choose building materials that add to the overall sustainability of the project such as energy efficient windows, doors and insulation and perhaps most important, improve indoor air quality by using low volatile organic chemicals (VOCs) in paint, adhesives and carpeting.</p> <p>Contact us for a free consultation on how to improve energy efficiency in your current home or building project, or visit our Web site to view our portfolio.</p> <p><b>TMS architects</b> 1 Cate Street, Eldredge Park; Portsmouth, NH 03081 (603) 436-4274 • tmsarchitects.com</p>
